2025-07-17 Meeting Waste TF

Taglialatela (ARERA) presented the PP he produced summarising the proposals from the Members on the Circular Economy Act. Request to the Members for having the position paper (PP) enriched and expanded by August 10th .

Greece mentioned that it will not be possible to have by the 10th of August a reply to the PP.

Taglialatela presented the PP

Greece:

Cap and trade is a great tool.

Latvia

Avoid the shifting problem between sectors.

Proposal from David not to insert the Peer Review, but to have a workshop on this.
