15:10 – 15:40	GA's decision to enlarge the statutory scope of WAREG to municipal waste: Secretariat's update, organisational issues and establishment of the new Municipal Waste Working Group (WG) within WAREG
15:40 – 16:10	Adoption of decision-making rules based on the Secretariat's guidelines (presentation by the Secretariat). Appointment of the WG's chairperson.
16:10 – 16:20	Information on the availability of ANRSC to participate in the WG as observer; possible enlargement of the Group through the application of the observer status
16:20 – 16:40	Evidence of the WG work and achievements on WAREG's website: technical and financial issues, content feeding and administration.
16:40 – 16:50	Coffee Break
16:50 – 17:20	Circular Economy Act: communication on organisational changes within the European Commission. Update on the CEA process; possibly, first exchange of views on the draft regulation (if available).
17:20 – 17:40	WG working plan: Next steps in interinstitutional collaboration with the Commission. Enlarging the relationship between regulators and the EU institutions, including relevant Members of the EP. First exchange of views.
17:40 – 17:50	Roundtable - Update on national regulations concerning waste management and circularity
17:50- 18:00	Next meeting, Any other business

May I take the occasion to invite everyone to propose/add further points that I could have missed.

I would kindly ask to communicate to WAREG Secretariat if your will be attending in person or online. Colleagues attending in person are invited to arrive 10-15 minutes before the meeting for registration procedures. A transfer between the GA venue and ARERA's office will be possibly offered – to be confirmed.

I look forward to meeting you in Rome.

Kind regards,

Giovanni Taglialatela
